

## **Technology Teacher Leader (TTL) Professional Development**

*February 2010*

*1:00 PM to 3:00 PM*

### **Agenda**

8:30-8:45 AM - Welcome

- Administrative Issues - PD Planner registration - *Technology Teacher Leader PD - February 2010*
- Children's Internet Protection Act - <http://www.fcc.gov/cgb/consumerfacts/cipa.html>
- Computer Fairs - <http://webgui.phila.k12.pa.us/offices/e/etg/programs--services/computer-competitions>
- New Filtering Procedures - <https://www.philasd.org/login/>
  - Those in schools can submit a request in two ways:
    - From the blocked page. The URL and category are automatically sent with the request, so users should only use this way for requests related to that website that they want unblocked.
    - From Master Login, they can access the application (Internet Filtering Exception request) and submit a request (block/unblock).
  - There is also a help document for those with questions on how to submit a request. The help document can be found through master login.
- School Room Inventory Database - <http://fms.edtech.philasd.org/tool/login/>
- TLA (Grades 6-8) - <http://webgui.phila.k12.pa.us/offices/e/etg/programs--services/ttl--itt-support2/tla>
  - Review website for more information, video training, and instructional PDFs.
